FOR FOOD INDUSTRIES

FROM EGYPT TO THE REST OF THE WORLD

At Mundo, we deliver premium olives and pickled products that are carefully selected, naturally processed, and produced to the highest international standards.

Our commitment goes beyond manufacturing. We focus on preserving authentic taste, ensuring product consistency, and providing reliable solutions that meet the evolving needs of global markets.

What began as a local vision has grown into a global mission. Driven by Egypt's rich agricultural heritage and supported by advanced production capabilities, Mundo has become a trusted partner for customers across multiple international markets.

Today, we offer a diverse portfolio of olives, pickles, peppers, artichokes, and specialty products, alongside flexible packaging solutions and private label services tailored to different market requirements.

Through continuous investment in quality, innovation, and operational excellence, we remain committed to building long-term partnerships and delivering products that create lasting value.

Dedicated to serving customers worldwide through exceptional quality, product diversity, reliable service, and a passion for excellence in everything we do.

PACKING & LOADABILITY

SEALED WITH CARE

Due to the remarkable demand on Mundo's processed vegetables range, a variety of packaging solutions have been adopted to satisfy our varied clients' needs.

POUCHES

The latest trending packaging solution in the global market allowed us to install our own state-of-the-art pouch filling line: the first of its kind in Egypt. This method replaces conventional rigid containers with highly resistant, hermetically sealed and hygienic pillow pack pouches with minimal or no headspace, providing extra quality, security and an increased shelf life. Sizes of the pouches are customized as per each client's specifications and needs.

TINS

Due to the wide spread practice of packing food in tins, we introduce best quality metal & tin packaging for all our products.

PET JARS

In response to the high market demand on PET Jars, our company has installed its own molding and blowing machine lines to ensure premium quality. Our PET Jars are available in 1 Gallon sizes. per each client's specifications and needs.

BARRELS

Barrels serve as an ideal solution for wholesalers who are interested in re-packing their own products. These are available in 250kg sizes.

GLASS JARS

Targeting the retail buyers segment, Mundo provides glass packaging to ensure a highly safe and sanitary vacuumed food container.
